Dear Sponsor:

The Arborg Agricultural Society continues to move forward. The fair dates will be on July 19th & 20th, 2025. It is your support that makes this event a success!

The board of the Ag Society continues to work diligently each year to provide an exciting weekend of entertainment for people of all ages and interests. As a partner, your dollars are providing a family affordable events right at home. The event brings people from throughout the province creating an opportunity to showcase what our community and business has to offer.

Our goals for 2025 are to improve and expand our infrastructure. Our facility includes tractor/truck pull track, mud bog track and rodeo/horse show arena. This year we are working on a permanent livestock handling facility at the rodeo arena. This would provide opportunity for expanded events as well as business opportunity for the area.

Please consider becoming or continuing to be a valued member of our team.

A schedule of sponsorship opportunities is included on the second page with options for you to consider.

Thank you for your support!

Yours truly,
